**DO YOUR EMPLOYERS FURNISH YOU WITH THE  
LATEST EDITION OF THE CITY DIRECTORY?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

*Please!* Do Not Lend Your  
CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

*Out of Mind!*

*Out of Business!*

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## CASHIERS! TELLERS! —— CLERKS! ——

Do your employers furnish you with  
the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

# Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

## Your City Directory Contains:

**1**

An *Alphabetical* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

**2**

A *Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

**3**

A *Classified Business Directory*—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

**4**

A "*Yellow Section*" or *Buyers' Guide*, where the advertiser may explain in greater detail the services or products he has to offer.

**5**

A *Statistical and Historical Story* of your city; plus miscellaneous other information.

### WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

*It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.*

★ The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED ★

## CAUTION . . . .

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

# THE JEFFERSON FAMILY PROVIDER

Because of the current high cost of living, many men are beginning to realize that their present insurance would provide an inadequate income for their families. The Jefferson Family Provider has been designed to meet the need for more life insurance protection at less than usual cost—a special plan for preferred risks only.

- **IT GUARANTEES TO YOUR FAMILY:** A. In event of your death during first 20 years; or before age 65 if earlier: \$5,000 in cash immediately PLUS a monthly income of \$50.00 for the next 20 years (total payments \$17,000). —OR— \$14,460 in cash immediately.  
B. If death occurs after first 20 years; or after age 65 if earlier: \$5,000 in cash immediately.
- **IT GUARANTEES TO YOU:** \$14,460 life insurance at little more than usual cost on \$5,000, with increasing cash or loan values which are instantly available in financial emergency.
- Let us tell you more about it. Just call or write—

represents the  
Jefferson Standard

Jefferson Standard, now guaranteeing 2½% on policies currently issued, has never paid less than 4% interest on policy proceeds left on deposit to provide income.

4% IS THE HIGHEST  
RATE OF INTEREST PAID  
BY ANY MAJOR LIFE  
INSURANCE COMPANY.

*Your Mr. 4% is:*

**Mr. 4% shows how a  
Jefferson Standard Policy  
paid \$3300 more.**

**Here is an actual cash comparison...**  
proceeds from a \$10,000 policy in another major life insurance company compared to a \$10,000 Jefferson Standard policy, both at the same cost.

John Blake provided for future income with a \$10,000 life insurance policy.

Charles White provided for future income with a \$10,000 Jefferson Standard policy.

**BUT HERE'S THE DIFFERENCE.**

On Blake's death, his wife received \$50 monthly for 21 years and 5 months, at which time benefits were exhausted. This policy paid only 2½% interest income on funds left in trust. BUT—

When White died, his wife received \$50 a month, too. At the end of 21 years and 5 months, Mrs. White could look forward to 5 years and 6 months more of \$50 monthly payments. She received \$3300 more in all from the Jefferson Standard policy.

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## CAUTION . . . . .

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

## CAUTION....

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

Copyright, 1955, by Hill Directory Co., Inc.

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Figures in parenthesis denote old numbers.

(The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.)

(This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.)

# A STATEMENT OF ADVERTISING PRINCIPLES

1. **Good Advertising** ~ aims to inform the consumer and help him to buy more intelligently.
2. **Good Advertising** ~ tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
3. **Good Advertising** ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
4. **Good Advertising** ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.
